The next big thing is actually just a bite size...

Introducing Le-Vel’s latest innovation and addition to the THRIVE line of products—**THRIVE BITES**.

THRIVE BITES are premium grade dried beef bites made from whole muscle beef brisket.

Our premium grade beef starts with USA pasture raised cattle, which are fed locally-grown and organic alfalfa, hay, and corn and never receive animal feed of any kind. We make our **BITES** in small batch increments, which marinate for 24 hours. The result is some of the most tender, flavorful, and high quality beef bites you could ask for.

THRIVE BITES come in three different flavors—Black Pepper & Sea Salt, Sweet & Spicy, and Savory Garlic. For a delicious high protein, low calorie, low fat snack, grab a bag of **THRIVE BITES**.
