TREAT MEAL
for your Cheat Meals

THRIVE TREAT MEAL is a premium approach to your daily digestive lifestyle and is designed to help with those meals we all love—our favorite pizza, pasta, Mexican and dessert go-to meals.

Usually our favorite foods and meals tend to be the highest in carbohydrates, fats, sugars and more—that’s where THRIVE TREAT MEAL comes in.

TREAT MEAL was formulated to help block the absorption of fats and carbs with those “cheat meals” and minimize the damage done by them to your weight management and healthy lifestyle goals. In addition, TREAT MEAL was designed to relieve the bloating caused by indulging in that occasional “cheat meal” and support the overall maintenance of healthy blood sugar levels.

Consider adding TREAT MEAL to your THRIVE Experience routine, as well as taking when needed with high carbohydrate, high fat and sugary meals. Enjoy life a little bit more with THRIVE TREAT MEAL.
